

Honor Roll of Donors 2008-2009

With its shared goals of increasing participation and growing annual giving, the Westchester Annual Fund First draws upon a pool of trustees, parents, alumni, faculty and staff, and friends to provide an unparalleled foundation of financial support.

Participation at any level supports the many exciting educational initiatives taking place at the school and demonstrates the commitment and loyalty of the Westchester community. We are indeed grateful to each and every donor for each vote of confidence in our school and our stewardship of each gift. In the 2008-2009 academic year, the **Annual Fund dollars raised totaled \$250,200**, a remarkable increase of over 22% from the previous fiscal year and the **largest Annual Campaign to date** for the school community. Coupled with other special gifts and donations and our annual Blue and White Gala/Auction proceeds, over **\$400,000** was raised to support the school community and our outstanding program.

Thank you to each person who shared resources to support our school, our faculty, and our students each and every day. Each and every gift makes a difference and helps Westchester “step it up” to provide the best educational environment for our students to grow and learn.
